# Artist Profile

---

Christopher Tan is an internationally renowned award winning nanoblock brick artist based in Malaysia. His unrelenting passion for popular culture, eccentric art and architecture has been the driving force behind the successful creation of over 400 distinctive designs. The popularity of his designs have earned him an amazing cult following worldwide and his creations have been widely featured in the media.

Constantly on the lookout for random inspirations for his next masterpiece, Christopher has been embarking on a series of exhibitions around the world, most recently in Singapore, Hong Kong and Malaysia.
